PROFESSIONAL EXPERIENCE

Customer Support Representative
Watson's Family Leisure | Kansas City, KS
September 2026 — Present

- Resolved technical and account questions through troubleshooting assistance by phone, email, and ticket line.
- Handled scheduling, customer account management, and data management.
- Front-line contact for client support and coordination, maintaining client relationships and assisting with any issues.

Support Staff
RRGB, Inc. | Garner, NC
April 2025 — January 2026

- Implemented enterprise-grade systems to keep continuous track of employee performance and work flow, tasks to be completed, and newly opened tickets.
- Administrative work such as data entry, time-sheet recording, reception work, and essential tasks including preparing, packaging, and delivering customer purchase orders.

Front Desk Specialist & Expediter
McLean's, Inc. | Zebulon, NC
October 2023 — August 2026

- Supported the set-up and operation of POS systems, printers, and portable devices through hands-on and digital troubleshooting and calibration of devices.
- Assisted in management of the front of the building, including front desk operations, client-organization relationship maintenance, and purchase order preparation.
- Trained new employees in new tasks in accordance with company policies and scripts.
